Hackathon : October 27-29

Cal Hacks 10.0

UC Berkeley • October 27-29, 2023

Sponsor the world's largest collegiate hackathon.

The world's largest collegiate hackathon will be back for round 10 this Fall on October 27-29th 2023 with plans of a fully in-person event. We are excited for our wonderful sponsors to join us!

Last year, we supported...

2500+ hackers

50+ majors

136 universities

15+ countries

1200+ beginner hackers

714 female, non-binary, or gender-queer hackers

What is a hackathon?

A hackathon is an event where students develop technical projects in a collaborative environment. Students begin with an idea and work towards a complete project over the course of 36 hours.

Why sponsor Cal Hacks?

- Connect with a diverse group of high-achieving students who have shipped their projects to thousands of people, founded Y Combinator startups, and conducted groundbreaking research.
- Work with students as they solve real problems with tight deadlines, allowing you to properly assess *and* access a talented pool of potential new grad hires and intern candidates.
- Increase your company's brand recognition with company swag and a lasting presence at the event and beyond.
- Highlight your APIs and/or technology and promote innovative projects with prizes.

Testimonials

What previous sponsors experiences were like at Cal Hacks!

"Cal Hacks was an **awesome opportunity** to connect with many talented students. It was a **jam-packed** event with great young engineers in attendance! Cal Hacks is the **perfect** place to expand your network and source candidates and collaborations. The organizers did a great job in bringing together innovative companies and **talented** student engineers.'

-Otto, 9.0 Sponsor

"CalHacks attracts **top-talent** hackers and **future leaders and unicorns**. As a loyal sponsor since CalHacks 2.0, I would not miss this event in the world to attract and recruit talents and put any of my companies' technology to its critical tests for hackers to break them. Imagine the amount of money you can save from your engineering cost. Do not miss this event!"

- Zapp Health, 9.0 Sponsor

"Cal Hacks 6.0 blew me away... We were **astounded** by both the **creativity** and **resolve** demonstrated at Cal Hacks. We wish we could have given all of our integrations an award."

- DocuSign, 6.0 Sponsor
